State's data are included in the quick statistics based on pre-defined criteria. To find out more about the specific criteria used, please contact the BHSIS program office at [BHSIS\\_helpdesk@eagletechva.com](mailto:BHSIS_helpdesk@eagletechva.com). US totals are released only after publication of the year's annual report.

Note: Several states are likely to have a significant decrease in the total number of admissions reported to TEDS due to factors such as Medicaid expansion. In this table, these states are identified by an asterisk \*.
